*If this Order Form is executed and/or returned to Salesforce by Customer after the Order Start Date above, Salesforce may adjust the Order Start Date and Order End Date, without increasing the Total Price, based on the date Salesforce activates the products and provided that the total term length does not change. Following activation, any adjustments to such Order Start Date and Order End Date may be confirmed by logging into Checkout, by reference to the order confirmation email sent by Salesforce to the Billing Email Address above, and/or by contacting Customer Service. **The Monthly/Unit Price shown above has been rounded to two decimal places for display purposes. As many as eight decimal places may be present in the actual price. The totals for this order were calculated using the actual price, rather than the Monthly/Unit Price displayed above, and are the true and binding totals for this order. Prices shown above do not include any taxes that may apply. Any such taxes are the responsibility of Customer. This is not an invoice. For customers based in the United States, any applicable taxes will be determined based on the laws and regulations of the taxing authority(ies) governing the "Ship To" location provided by Customer on this Order Form.
